AUDITORS' CERTIFICATE

BEN B. FOSTER,
WALTER S. LIBBEY,
Auditors.

July 7, 1928.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wentworth:

I herewith present my second annual report as superintendent of the schools of Wentworth.

Year 1927-1928

Total enrollment—83.

Schools in session—175 days.

Percent of attendance—94.65%.

Visits by members of the board—26

Visits by superintendent—283.

Visits by school nurse—44.

Visits by citizens and others—475.

The above figures show the size of the schools and the record of attendance for last year. The number of cases of tardiness was far greater than necessary. It is bad for the school and bad for the child when a pupil comes in late. We want our boys and girls to grow up with a strong sense of responsibility, and the habit of promptness is one of the essential factors in developing this ideal.

This year the enrollment has been 83. The following are the teachers: Village Grammar, Alice B. Bewley; Primary, Mrs. Minnie Bennett; Atwell Hill, Irene Bilodeau; Foster, Mrs. Lena B. Walker; Buffalo, Cadet from Plymouth Normal School.

During the last few months certain improvements have been made in some of the buildings. The new chemical toilets have made the village school more sanitary. Tightening the windows at the Buffalo and Atwell Hill schools and using banking at the latter have made these buildings noticeably more comfortable. The other two buildings are in considerable need of better

heating facilities. I would accordingly recommend the installation of modern heating units in the village and Foster Schools.

The school work in general seems to be progressing well. The standard tests show that in a great many cases the pupils are doing work above the average.

Attention of those parents, who will have children old enough to enter school next fall, is called to the vaccination law. This law requires all children attending school to be vaccinated. Exception is made in the case of those who are excused by the Board of Health as physically unfit.

Respectfully submitted,

EDWARD A. JANES.
